## From Reading to Math to Art to Recess, Tilly and Torg Have a Lot to Learn in this Chapter Book for Beginning Readers!

FAYETTEVILLE, Ga. - The first day of school is both exciting and scary. Seeing how someone else handles it can reduce stress and even inspire giggles.

Such is the case with the second book in the Easy-As-Pie chapter book series from beloved author Connie Crawley. *Tilly and Torg—New Kids at School* features the same two hilarious monsters who made their debut in *Tilly and Torg—Out to Eat*. These two buddies approach life a little differently but remain best friends through it all.

Torg, Crawley explains, always tries to do the right thing. He even carries his “Monster Rule Book” in his big furry pocket everywhere he goes. On the other hand, bouncy, energetic Tilly is more interested in exploring the world than in following the rules.

What happens when these two buddies climb aboard the big yellow box for the very first time and roll down the street? Beginning readers, first-time students, and students transitioning to a new school are going to love finding out!

Crawley comments, “Tilly and Torg are the friendly monsters who lived under my bed when I was little. I love spending time with them and hope that you will too!”

A perfect book for preparing for the first day of school, *Tilly and Torg—New Kids at School* features Power Words, a Word Wall, and Quiz Questions. A free teacher resource pack, character cut-outs, prereading/comprehension/discussion questions, and other resources are available on [conniecrawley.com](http://conniecrawley.com).

Crawley’s third book in the Tilly and Torg series, *Tilly and Torg—Up in the Air*, along with *Tilly and Torg’s Treasury*, will be available on Audible in August. Crawley’s other books include the nonfiction children’s books *One Million and One Ways to Go to School* and *One Million and One Amazing Pets*.

“Remember Little Golden Books? Think of the Easy-As-Pie series of chapter books as this generation’s Little Golden Books. Bon Appetit! Enjoy!” ~ **Amazon Review**

**Author:** A former kindergarten and first grade teacher, Connie is a consultant with an educational software company that provides professional development for teachers. She’s an award-winning author with six children’s books, including Tilly and Torg’s Easy-As-Pie chapter books and the nonfiction *One Million and One* series. Connie began her writing career when she was ten years old. (Think *The Sound of Music* meets *Mary Poppins* meets *The Chronicles of Narnia* with an amazing flying little girl thrown in for good measure.) Almost twenty-five years after that unforgettable first book, she wrote what has now become the popular “Amazing YOU! A Celebration of Individuality.” Connie and her husband, Shaun, live in Fayetteville, Georgia. They have two beautiful daughters and a large and spoiled dog.
